## First Aid

The officers in the School Safety Section have been instructed on emergency first aid procedures and certified in CPR (Cardiopulmonary Resuscitation).

There is also a Registered Nurse (RN) on staff who is responsible for administering each camper's prescription medication and tending to minor first aid (cuts and bruises). The Frederick Memorial Hospital in Frederick, Maryland, will be utilized in the event of an emergency.

## Check-In Procedures

Parents are responsible for getting their children to the designated camp pick-up location and getting them on the bus. The buses are escorted to the camp by the police coordinators in marked police vehicles. Once the campers arrive at camp, the school safety coordinators will conduct a roll call.

## Summit Lake Camp

is a conference center located in Emmitsburg, Maryland. The location is approximately one hour from Montgomery County. Summit Lake Camp has numerous outdoor facilities, including a paved basketball court, volleyball court, a gymnasium, swimming pool, and softball/soccer fields. There is a 5 acre lake on site. Fishing is available and paddle boats are available, life vests are mandatory, and a certified lifeguard will supervise lake activities.

## Transportation

The campers/patrols are transported to Summit Lake Camp by Montgomery County Public School bus transportation. Part of the patrol members' training is the school bus ride to camp. The buses are used during the week to assist in the bus training segment of instruction.

## Counselors

Counselors (interviewed and hired by the School Safety Section Coordinators) assist the adult supervisors and are housed with the campers for supervision. The male and female counselors (age 15-18) are each responsible for approximately 6-8 campers.

## Housing/Meals

Summit Lake Camp is equipped to provide housing and meals for 200+ campers and staff. Chalet-type cabins, open bay rooms and bunkhouses are available and used for the campers. The Summit Lake Camp Staff prepares meals.

## Supervision

Your child will be under the supervision of the Montgomery County Police Officers assigned to the School Safety Section. There are five sworn school safety coordinators and two police supervisors. The School Safety Coordinators are responsible for the classroom instruction and oversee the administration of the safety patrol camp activities. Additionally, there is a program director who is responsible for overseeing the activities of the camp counselors as they perform their duties.

## Purpose of Safety Patrol Camp

The purpose of the school safety patrol camp is twofold: 1) to have fun in the camp environment by making friends and enjoying the activities provided, and 2) to become trained in the proper techniques needed to become a good safety patrol. After patrol members are properly trained at camp, they take this training back to their individual schools and relay the information to other patrols in their school. In this way all of the patrols are consistent in how they conduct their patrol responsibilities, making school safety patrols as effective as possible.
